

SUMMER 2011 : The Big Top @The Black-E

“Workshops and encounters to strengthen the muscles of youthful bodies and youthful minds”

SUMMER 2011 : THE BIG TOP @THE BLACK-E
10 -27th August
11am -3pm Wednesdays to Saturdays

This Summer the Black-E is inspired by circus media & Chinese performance skills, by dance and film-making - and by the Black-E's 43rd anniversary year.

Come and find out about Circus & Aerial Skills with Skylight Circus Arts - try out a Wushu (martial arts) workshop teaching Chinese Children's Boxing with Peter - join in a Contemporary and Street Dance workshop with Sue - enjoy BMX Biking or try out Skateboard Skills with Team Extreme.

The Black-E bouncy balloon will be there every day for those with energy left to spare - while for those who fancy quieter activities there will be Chinese arts & crafts workshops - and also Film-Making workshops.

Running through all these activities will also be the theme of “The 43 Game” - a game to produce photos from all the workshops which have one thing in common - they all feature the number 43.

The summer programme will close with a Film Show and a Circus Performance which showcases what the young people have learned in the summer.

Outline Programme

Weds Aug 10th - Sat Aug 13th

Film & Video Production Skills - Wushu and Dance Workshops - Chinese & Russian Arts & Crafts - The 43 Game - The Big Bouncy Balloon
