

Golden Gloves Open Show

Golden Gloves Open Show

The Golden Gloves is located at the Belvedere Community centre and was originally established in 1947 by Duggie Pomford, making it one of the oldest and most respected boxing clubs in Liverpool.

Golden Gloves has seen many international champions from triple ABA champion George Turpin, the excellent bantamweight who claimed Olympic bronze in 1972 - to last year's 71kg national winner Anthony Fowler, the Gloves have guided a long list of champions to the top.

Boxing is a great sport to take up not only for fun but to keep fit. We have a two-ring gym, weights and cardio room, a sports hall and a sauna. Our coaches have a collective experience of over 100 years and understand that everyone is at a different stage whether you are interested in becoming a fighter or merely wanting to get in shape. We offer a range of single or group sessions for both boys and girls.

For more information on our private or group training sessions please don't hesitate to call.
