

State of Emergency

The ticket for this event are free

A hard-hitting new dance theatre show from **State of Emergency** tours the UK from January 2014. Boldly exploring themes of love, sex and consent, **Love&Sex** examines the emotions, pressures and comedy of sexual relationships through dance and music.

Love&Sex is a collaboration between **State of Emergency**, choreographers **Colin Poole** and **Alesandra Seutin**, and Grammy-nominated composer **Steve Marshall**. The show is targeted at young people, though accessible to all.

Exposing myths and challenging preconceptions, **Love&Sex** has been created to entertain and inform without judgement. Sexuality, peer pressure, emotions and the influences of social media are all in the mix and the show has been developed in partnership with **Brook** (The UK's leading provider of sexual health services and advice for young people under 25), **Z Arts**, Manchester, **The Station**, Bristol and the **University of Durham**
