

Children living with neurological conditions

ADDvanced Solutions at the Black-E 2017

ADDvanced Solution World Mental Health Day

liverpool_mental_health_festival

The after school project is a Free Fun creative arts project that focuses on stimulating all the senses through the Arts.

The project is aimed at children and their siblings with neurological conditions.

After School Play

Wednesday after school project 4.30-6.30pm

Each session starts with a healthy meal before the children take part in focus lead workshops.

As part of the project we offer free half term sessions for the children who attend the weekly session.

All the staff are fully trained by ADDvanced solution with full DBS certificates

Please contact ADDvanced Solutions on 0151 486 1788,
or The Black-e 0151 709 5109, for further information.
